+91 9380363769

Belagavi, Karnataka

SUMMARY

Dynamic and dependable engineering graduate with hands-on internship experience in software and innovation projects. Proficient in Core Java, JavaScript, React.js and MySQL. Strong problem-solving abilities and a collaborative mindset. Seeking an entry-level role to contribute to technology-driven solutions while continuously learning.

SKILLS

JavaScript

Spring Boot

React.js

MySQL

Problem Solving Teamwork

Java Full Stack web development

EXPERIENCE

Intern – COMEDKares Innovation Hub

Oct 2023 – Nov 2023

- Completed one month of training on the Smart Pesticide Spray project
- Participated in innovation discussions and solution brainstorming

Intern – Tata Electronic System Solution, Kolar

- Organized technical documentation and maintained project records
- Supported innovation initiatives and coordination activities

Intern -Java Full Stack web development

- Key Technologies
- Learn Java for backend development
- Utilize Spring Boot for building RESTful APIs
- Implement Hibernate for database interactions
- Frontend Development
- Gain proficiency in HTML, CSS, and JavaScript
- Explore frameworks like Angular or React for dynamic user interfaces
- Development Tools
- Use IDEs such as IntelliJ IDEA or Eclipse for coding
- Familiarize yourself with version control systems like Git
- Deployment and Hosting
- Understand cloud platforms like AWS or Heroku for application deployment
- Configure servers and databases for efficient hosting solutions
- Best Practices
- Follow coding standards and practices for maintainability
- Write unit tests to ensure code reliability and reduce bugs.

PROJECTS

Smart Waste Segregation (2024)

- Designed a system to segregate wet and dry waste efficiently
- Improved waste management workflow through structured design

3-Phase Induction Motor Protection System (2025)

- Designed a protection system for overload and fault conditions
- Ensured safe, reliable, and efficient motor operation

EDUCATION

Bachelor of Engineering – Electrical & Electronics Engineering Jain College of Engineering, Belagavi Percentage: 77%	2025
Diploma – Electrical & Electronics Engineering Gomatesh Polytechnic, Belagavi Percentage: 60%	2022
SSLC KSRP Machhe, Belagavi Percentage: 68.96%	2018
